Monday				
17:00 - 17:45	Yavuz Oral - Introduction			
17:45 - 18:30	Milk and gelatin - BBQ1	Non-newton liquid BBQ2	Measuring nanometric seismic waves - café	Virtual lab - small hall
18:40 - 19:25	Non-newton liquid BBQ2	Milk and gelatin - BBQ1	Virtual lab - small hall	Measuring nanometric seismic waves - café
19:25 - 20:00	Dinner			
20:00 - 21:00	My own Guinness	My own guiness	my own guiness	my own guiness
Tuesday				
08:00 - 09:00	Breakfast			
09:00 - 09:50	Measuring nanometric seismic waves - café	Virtual lab / Nanobag / Nanoscale - small hall	Milk and gelatin - BBQ1	Non-newton liquid BBQ2
10:00 - 10:50	Virtual lab / Nanobag / Nanoscale - small hall	Measuring nanometric seismic waves - café	Non-newton liquid BBQ2	Milk and gelatin - BBQ1
11:00 - 11:30	Warm up - in front of block 1		Warm up - in front of block 1	
11:30 - 12:00	Who Where When What - small hall		Buckyball / Fullerene / Carbon nano-tubes - big hall	
12:00 - 13:00	Buckyball / Fullerene / Carbon nano-tubes - big hall		Who Where When What - bg hall	
13:00 - 14:30	Lunch			
14:30 - 15:30	My way to successs - Reception			
15:30 - 16:00	Afternoon break
